Um ...

How is it going with your boyfriend ?

Wh.. what ???

The guy who visited you at night.

For how long have you two been going out ?

O...Only ... few... months...

How is he ?

Not... bad...?

How often does he contact you ?

Semi.. frequently...?

Um..., why do you ask ?

It's nothing really.

So, he is an affair, it seems ...

She is not interested in him, is she ?

Does he know it Na-Young by any chance ?

I don't think so ...

I don't think they will get friendly.

OMG, he's having an affair!

Reached a conclusion.

You aren't speaking a lot today.

You were quite chatty yesterday though.

Because I had a reason to talk yesterday.

I don't have anything to talk about right now.

Why don't you ask questions about me?

You know, the routine stuff at meetings.

I've never been to a meeting...

...

It, really ?! I thought you'd be quite popular.

I guess you don't need to...

Mr. Shin.

Why did you want to see me today?

Do you think ...

I called you out today for a business ?

Yes, otherwise, you had no reason to do this.

I must say I am disappointed.

I called you out today bcoz

Ugh, the boss?

You are not answering it ?

Yes, I am. A sec please...

Yes, this is Shin Te-Min...

Te-Min.

Yes, boss.

Where are you.

I am out for work ...

You are out for work and I don't know about it ?

I was going to report you after it's done.

Nevermind that and come back.

Yes? But I can't really right now...

Come back.

... Yes, boss.

Um... Miss. Ji.

I am really sorry but I have to return to the company right now.

I am fine.

I am really sorry. I called you out and ... well.

I will call you again soon.

Phew !

Good timing. I really had nothing to talk about...

Well, what now. I have nothing to do...

I think I am going to call Ji Hyoung out.
